

HILTON COLLEGE

# HILTON COLLEGE IS COMMITTED TO TRANSFORMING MATHS & SCIENCE EDUCATION IN OUR COMMUNITY

581 teachers and 4,206 learners attended Vula interventions

We upskill Maths and Science teachers and learners from under-resourced schools onsite or at Hilton College

Accommodation was provided in the Vula Lodges on the Hilton College campus for 170 teachers attending workshops

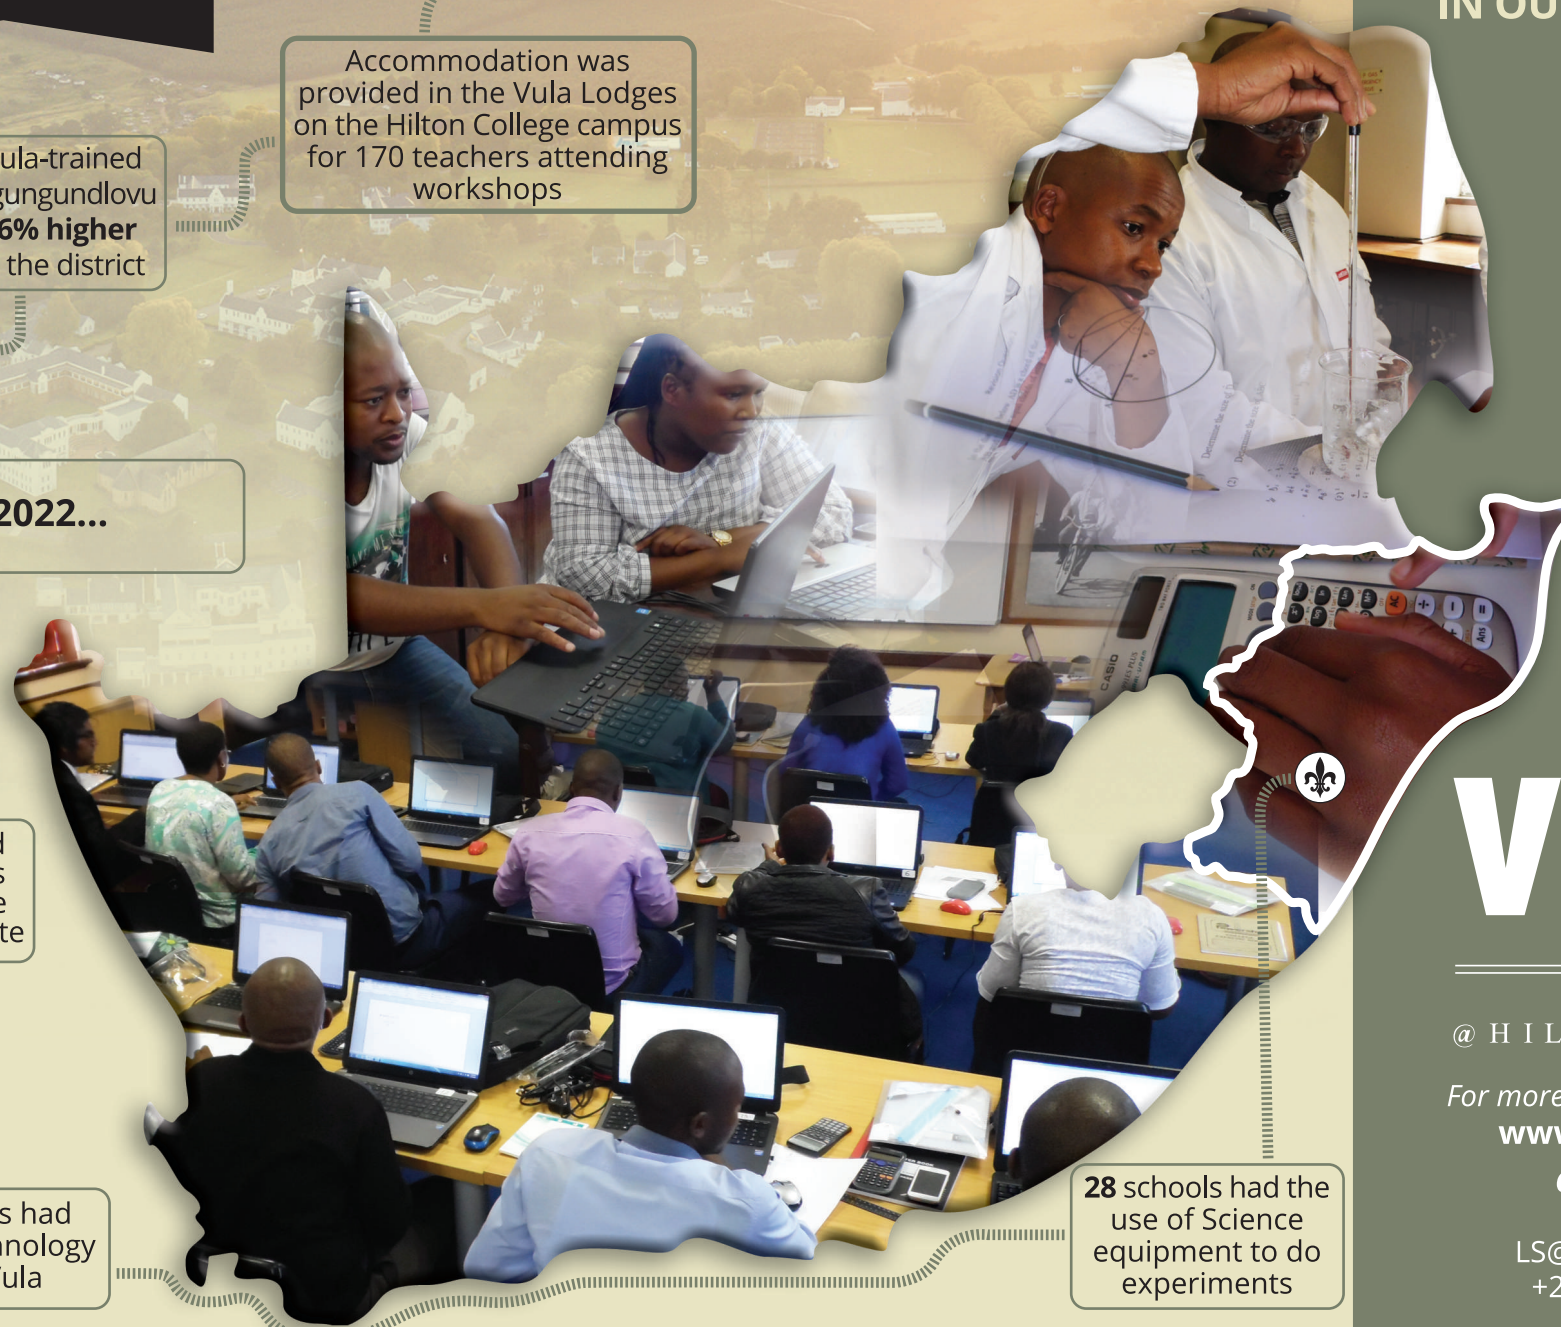

Grade 12 results of Vula-trained Maths teachers in Umgungundlovu were on average **13.6% higher** than other schools in the district

In 2022...

18 schools achieved over 90% pass rates for Science; of these 4 had a 100% pass rate

250 teachers had access to technology through Vula

28 schools had the use of Science equipment to do experiments
